Station Manager-WCSR
Smith College
Northampton, Mass.

Dear Saby:

At Last I feel that there is some semblance of order here at WRTC. I would like to make a date for WRTC's "taking over" WCSR. If February 6, a sunday evening, from 7:00 until Midnight would not conflict with you, we're as good as there.

Two seniors are doing a program this year similiar to the one done by Bob and Ray. While it certainly is not as good as theirs, the fellows do one heck of a good job. It should provide some good entertainment and a break from a straight disc jockey show.

If February 6 presents any impossibilities, please let us know. As a matter of fact drop us a line if the sixth is OK.

I'll contact Mr. and Mrs. Comley-maybe they can come along.

Sincerely yours,

Donald F. Shelly
